

Insurance Check List for Vision Therapy

Please call your insurance company to determine if vision therapy is a covered benefit. Follow the steps listed below to gather the following information:

1.) Does my plan cover the procedure code **92065** for diagnosis code _____.

Does your plan cover these services? _____ **YES** _____ **NO**

2.) If your plan does cover this procedure how many sessions does it cover?

My plan covers _____ sessions.

3.) What is my copay, if any, for **each** session?

My copay/responsibility for each session is \$ _____

4.) Do I have a deductible that applies? _____ **YES** _____ **NO**

If **YES**, how much? _____

5.) Person you were in contact with? _____

6.) Ask for a reference number for the phone call

Reference # _____

7.) Date of Contact: _____

Please bring this information with you to your first vision therapy session so a copy of it can be kept with your chart for future reference. Thank you!
